Dear MFPC Member,

The Maine Forest Products Council is producing its Membership Directory for the years 2007-2008. Over the years, the MFPC Directory has proven to be a useful tool for our members, providing an alphabetized list and contact information for the entire membership. The directory also profiles the Council's organizational structure and functioning sub-committees. For many members this directory provides an effective venue for advertising products and services to the greater forest products industry represented in our membership.

Advertising sold in the directory represents non-dues income for the Council, which helps fulfill the organization's mission. If you had an ad in the last directory, you will find a copy of your ad enclosed. Please be sure to indicate if you will be advertising, and if you wish to use the same ad from the last directory.

All members will receive one complimentary copy of the directory. Additional copies will be available to members at \$10.00 each. Please indicate on the Directory Information form how many extra copies you wish to order for your company. This will be very beneficial to us when we place the order with the printer.

The publishing schedule requires that all advertising be submitted by May 1, 2007. If you have any questions, please call Sue McCarthy at the Council office, 622-9288 or email her at adminassist@maineforest.org

Sincerely,

Peter Triandafillou
President
